

Dr Pam Homan Joins Reliabank Board of Directors

David W. Johnson, Chairman and CEO of Reliabank, recently announced the addition of Dr. Pam Homan to the Reliabank Board of Directors. Dr. Homan was previously the Superintendent of the Sioux Falls School District and is currently the Chief Strategy Officer and Executive Vice President at Augustana University. “We are excited to add Pam to the board of directors. She brings a breadth of experience and a history of strong leadership that will benefit Reliabank and our customers for years to come,” says CEO Johnson.

“Reliabank’s vision, strategic priorities and commitment to service make it a trusted leader in the industry. I have tremendous respect for David and Jan Johnson and celebrate our shared Augustana ties. It will be an honor to serve on the board of directors of this third-generation family-owned business,” says Dr. Homan.

Reliabank is celebrating 25 years in Watertown in 2022. Watertown North branch opened in 1997 in a revamped modular home with a teller line, offices, and a vault while the new site was built. Watertown North branch today holds 25 employees including insurance and wealth management departments. Reliabank expanded to a second location in 2002 known as Watertown Southwest. Reliabank and employees have been very active in the community since it's opening through sponsorships and volunteering in local organizations.
